Hendricks Regional Health

Dear Friends,

I hope this letter finds you and your loved ones healthy and well. I am writing to invite you to consider a partnership with the Hendricks Regional Health Foundation (HRHF) by becoming a 2021 Trilogy Partner which offers exclusive access and visibility at our three major events this year.

The HRHF exists to help Hendricks Regional Health continue its leadership role in West Central Indiana as the independent and indispensable health partner for all who need its life-changing and life-saving services. Since 2008, we are grateful to have received approximately \$5.5M in monetary gifts from a variety of corporate and individual donors to help make possible important programs, services, and capital projects to enhance community health, patient comfort, safety, and medical care at Hendricks Regional Health.

We are delighted to continue with our plans to host all three of our major events listed below while following all applicable State, Federal, and Municipal laws, ordinances, and guidelines during the COVID-19 pandemic. We plan to host each event outdoors this year as well.

- Thursday, May 13 – HRHF Golf Outing at Country Club of Indianapolis
- Friday, July 30 – Polo at Sunset at Hickory Hall Polo Club in Whitestown
- Friday, Aug. 20 – Legacy of Giving Gala at Indianapolis Motor Speedway

We are confident that you will find our entertainment for this year’s Gala to be on par with our event’s past performances by REO Speedwagon, Chicago, and Foreigner! Stay tuned for our announcement in the coming months!

Please see the attached information for suggested levels of partnership. Each level may be customized based on your preference and budget, so please contact me at (317) 745-7376 or Adam.Scott@hendricks.org if you would like to discuss other options.

Thank you for your continued support and consideration.

Warm Regards,

A handwritten signature in black ink that reads 'Adam M. Scott'.
